Bean Team Love

This month's cover is dedicated to our beloved Bean Team. While any business needs staff to get the job done, our team members go above and beyond to make Square Beans a fun, clean, and welcoming environment. They work extremely hard day in and day out to make the best drinks and brighten the day of anyone that walks through our door. We love them oh so much. But what is it they love about being a Bean?

"The friendly atmosphere and being involved in the business and personal relationships you have."

"My coworkers r awesome!"

"I enjoy working with everyone on the Bean Team and all things coffee."

"So hard to choose! I love the atmosphere of the square and the personal-ness of working at a small business, and I enjoy all of my coworkers! :)"

"I absolutely love our staff and our amazing customers. It's so fun to see people you know every day, taking the time to get to know them bit by bit as you serve them their favorite food and beverages."

"Everything. Working here is my most favorite thing ever."

"Easygoing, flexible schedule, nice coworkers."

Valentine Drink Special

The Month of Love, The Season of Rooibos

Jennifer here, the manager of Square Beans Coffee and editor of the F.O.S.B. Post! Since February revolves around love of all shapes and sizes, I've found myself reminiscing on those I love the most: my family. To honor them and our South African roots, I present to you our February Drink Special:

Rooibos Red Cappuccino®

An 8-oz hot drink made with a double shot of Red Espresso®, Wolf River Honey, 6 oz of steamed milk, and topped with cinnamon.

(Red Espresso® is made from 100% pure, naturally caffeine-free Rooibos tea from Africa. It is rich in antioxidants that are immune boosting, calming and age defying.)

Mardi Gras Drink Special

The Month of Love, The Season of Mardi Gras

"Mardi Gras is the love of life. It is the harmonic convergence of our food, our music, our creativity, our eccentricity, our neighborhoods, and our joy of living. All at once." — Chris Rose

King Cake Latte

A 16-oz latte flavored with caramel, Bluem. Sugar'n Spice syrup, and topped with whipped cream and Mardi Gras sprinkles. Served hot or iced.
